

Stray Cat Intake Form

Thank you for bringing this stray cat to the shelter so that we can provide him/her with the care he/she needs. It would help us if you please answer the few questions below.

Is this the first day that you have seen this cat, or have you seen him/her previously?

How did you capture the cat to bring him/her to the shelter?

Were you able to pet/touch the cat?

Would you consider the cat to be friendly?

Have you witnessed the cat showing any aggressive behavior towards people?

If so, who was the target of the aggressive behavior?

Please describe exactly what the cat did in this/these instance/s

To your knowledge did the cat scratch or bite anyone?

If yes, when did the scratch/bite occur?

Who was the victim of the scratch/bite?

Did the person seek medical attention?

Would you consider adopting the cat if his/her owner is not found?
